BAUER Helmet Sizing and Certification

Fittings:

1. Open helmet to its largest setting and position on the head so that the front edge of the helmet is one finger width above the eyebrows.
2. Slide the front and back portions of the helmet together until a comfortable, snug fit is achieved.
3. Tighten the adjustment mechanism.

Players should only use CSA, HECC and CE certified helmets. These helmets have stickers affixed that indicate their compliance with the applicable standards.

HOW TO MEASURE

- For best results, take measurements over undergarments.
- Hold tape measure firmly, not tightly.
- Keep tape measure parallel to the floor.
- Match your measurements to the above size chart. If measurements fall between sizes: order smaller size for tighter fit or the larger size for a looser fit.
- If measurements for chest and waist correspond to two different suggested sizes, order the size indicated by the chest measurement.
- Each material should indicate what silhouette/fit is used (e.g. slim/modern, hockey fit, loose fit), so if it's a slim fit and you normally like a looser fit, you should order up a size.
